

Family Online Safety Plan

Clear rules, calm conversations, and settings that fit the family.

Audience	Parents, caregivers, children, teens, and community facilitators.
Purpose	Create shared rules without fear or shame.
Best use	Use during a family meeting or school workshop.

Family rules

<input type="checkbox"/>	Ask before downloading apps or games.
<input type="checkbox"/>	Ask before sharing photos, location, school name, address, or phone number.
<input type="checkbox"/>	No one gets in trouble for reporting a suspicious message.
<input type="checkbox"/>	Money, codes, and passwords require adult verification.
<input type="checkbox"/>	Devices stay updated and locked.

Conversation starters

<input type="checkbox"/>	What would you do if a friend sends a strange link?
<input type="checkbox"/>	Who can you ask before paying or sharing a code?
<input type="checkbox"/>	What information should stay private?

Keep this guide near the device or account it protects. Small habits make a real difference when they are repeated.
