

Privacy and Online Presence

Share less, control more, and reduce information that scammers can use.

Audience	Anyone with social profiles, old accounts, public photos, or exposed contact information.
Purpose	Make personal information harder to collect and abuse.
Best use	Use during a monthly or quarterly privacy checkup.

Review these areas

<input type="checkbox"/>	Public social media profiles.
<input type="checkbox"/>	Old accounts and forgotten logins.
<input type="checkbox"/>	Location history and photo tags.
<input type="checkbox"/>	Data broker search results.
<input type="checkbox"/>	Security questions that use public facts.

Safer actions

<input type="checkbox"/>	Set profiles to private when possible.
<input type="checkbox"/>	Remove old addresses and phone numbers from public profiles.
<input type="checkbox"/>	Limit who can see posts and photos.
<input type="checkbox"/>	Avoid posting travel plans in real time.
<input type="checkbox"/>	Use answers to security questions that are not public facts.

Keep this guide near the device or account it protects. Small habits make a real difference when they are repeated.
